

Afternoon of Cricket and Family Fun

The 19th of November proved to be picture-perfect for an Afternoon of Cricket and Family Fun in support of the Tampa-based charity Children Across Borders (www.childrenacrossborders.org). Children Across Borders (CAB) is a non-profit organization founded by Sharmila and Vivek Seth. To date, the non-profit organization has raised more than \$1 million dollars to support and sustain children-focused organizations that enhance the quality of life for disadvantaged-children in the areas of education, housing, health and wellness. The spectacular afternoon included friendly cricket matches for adults and children, English themed cocktails, lunch & high tea, music by the Thad Wiley Band, sought after raffle prizes, and activities for children of all ages.
